

# Vine Ingle Little League

P. O. Box 7837

Macon, GA 31209

December 1, 2011

Dear Vine-Ingle Family:

The Holiday Season is upon us! Christmas and New Year's Day will be here before we know it. It is also the time of year when we begin preparations for our 2012 Vine-Ingle Little League Season. As in the past, Vine-Ingle will again offer three ways to register your player for the upcoming season. The first is online at [www.vineingle.com](http://www.vineingle.com); second, by mail with the enclosed registration form; or third, at the walk-in registration held at the Minor League field concession building on January 21, 2012 at 10:00a.m. Keep in mind the importance of registering early as our number of openings is limited.

We believe that the strength of our league comes from our many volunteers, our generous families and sponsors who invest in the growth of the league, and our commitment to our teenage umpiring program.

As you know, Vine-Ingle Little League is run entirely by volunteers who comprise our board of directors, managers, coaches, team moms, and many generous parents who give tirelessly of their time and resources to help maintain our league as one of the premier leagues in our district. Please consider joining this network of volunteers if you haven't already. You'll notice at the bottom of the enclosed registration letter an opportunity to forward your interest in joining in.

Another way you can support the future growth of our league is monetarily. Registration covers approximately half of Vine-Ingle's operating budget. The remainder comes from our league families and our sponsors. Because of your continued generosity, we can continue to make much needed improvements to our facilities and optimistically explore the future of our great league. Please consider a deductible gift of \$5.00, \$10.00, \$25.00, or more to Vine-Ingle Little League. You may include your gift with your registration.

One of the longstanding traditions of Vine-Ingle Little League is the youth umpire program. As with any instructional program, we are striving year to year to improve and better prepare these young men for the task at hand. With required rules and field training, these umpires have the full support of our league officials, game directors, managers, and coaches. We ask for your support as well. A true character and confidence building process for these young men. In the fun and competitive nature of little league baseball, let's all strive to create an environment of growth, support, and good sportsmanship. Our players deserve it!

Thank you again for your continued support. Here's looking forward to another great season at Vine-Ingle!

God Bless!

Rob Scott

2011-2012 VILL President
